(1) Heart of the cosmic Emmanuel with it's Christ placenta & water of the fountain of life it IS the Fountain.

Ceythe 12

Heavenly fountain / water channels / connected completely on earth in the 12 apostolic outlets. The fountain of life may pour forth in the heart of the city of god —

A terrestrial plumbing & electric job is required to make earth apostolic.

(Left side) You have The cosmic sword of The Lord Earl, you do this job! You are charged with this responsibility.

(2) God takes man into his everlasting arms & will hold him to his heart who desires union with him - according to the love of his Christ, and obeys his word

"I am the way, the truth, and the life."

The light by which the nations shall walk.

The city of god - located on Christmas Island, half way between the nations of the East and those of the West - an isolated garden of the power & glory of god whose wisdom shall light the world through the ring of love, the new church - the pillar of the city of god, of the light of the world.

The Power of Perfect Love hath no limit nor end! Through perfect obedience to the word of god through his son and Immanuel (the last including the first) cometh true and lasting peace on earth. There is no other way. Christ is the way - begun in Jesus, ended in Immanuel. Follow through all the way.

The arms of the heart of god down stretched to man in his theocracy.

Love binds all together in perfect harmony.

The encircling band of the new church of Immanuel is large taking in all the earth; the brilliant & perfect diamond is very tiny but with the full light and power of god, for it is his theocracy, the city of the lord god where he is supreme - judge, & executor, law maker, administrator, is our god.

(4) Dec. 31, 1952

The apostolic fountain of Immanuel with its 12 main central pipes-lines to the apostles on the earth

"And it shall come to be that even before you ask your prayers shall be answered."

This is now possible because of the perfect god-man connections which shall be made in Immanuel through Christ - by following through all the way beginning with the word through Jesus and ending

with the word of Immanuel now given for completing life on earth and beyond - the eternal body of god.

The apostolic heart of the city provides twelve gates of application for admission - but acts as one judging body of Immanuel & thus one gate of entrance.

(5) (upper left) Pipe-cable from god. Bearing the water of the fountain of life. Christ aorta with life in full for the obedient of those who love god.

(Upper right) Jan. 14, 1953 "Like a diamond in the sky" The perfect diamond of our love is a Christ power - network transmitting to you, Earl, as ambassador for love, the fullness of the Power of god - this is our cosmic Electric Eye And our star - part of our cosmic body - emitting the light of god.

A magnetic, dynamic power sword against which nothing can prevail!

Your sword Earl! With which you will establish peace on earth - this sword is formed by the uniting of our forces, Earl - to free the captives that they receive the key to the kingdom. To life.
